# CERTIFICATES

## Food safety

### FSSC 22000, Food Safety System Certification

This certification states the compliance of our manufacturing facilities to the renowned International Featured Standards (IFS Food) of the Global Food Safety Initiative (GFSI).

It guarantees product safety and monitors the entire supply chain closely. FSSC 22000 (5.1) and BRC (Global Standard for Food Safety) are the most important food safety standards worldwide.

## Food compatibility

### LFGB certification

The LFGB certifies that the laboratory tests also meet FDA standards.

It proves the suitability for food contact: There is no transfer of substances from the packaging material into the food. The products are free of toxic substances that can cause harmful effects on human health.

## Recycled Ocean Plastic

### rPET certification

The Ocean Bound Plastic Certification encourages the removal of Ocean Bound Plastic from the environment and asserts the origin of OBP waste from the first collection point. It guarantees the traceability of recycled OBP waste until a new product is created.

## Uncoated Paper

### FSC certification

The FSC certification guarantees that only wood from sustainable timber industry is used and that logged areas are afforested with new trees.

## Production

### SA8000 standard for fair and ethical production

SA8000 guarantees a safe and healthy work environment with no child or forced labor. It assures standards on working hours, adequate wages, freedom of association etc. It is controlled twice a year by unannounced visits.

**100% NATURAL, ORGANIC,  
BIODEGRADABLE AND NATURALLY  
COMPOSTABLE PALM LEAF PRODUCTS**

- 100% Natural, Biodegradable and Compostable
- Tested and certified by TUV Rheinland
- “Microwave & Refrigeration Safe  
(30 min up to 180°C, 2 min at 500W)”
- No chemicals or Used additives used in the process
